

## 2016 Another Year filled with Great Production, Fun Clients and Creative Vendors

In 2016 we produced projects for a variety of clients. Some of the projects:

- For **Trooper Advertising** and their client The Oregon State Fair, we produced a variety of TV and Radio commercials promoting the 2016 Oregon State Fair. <https://www.youtube.com/watch?v=5NDQAArChQ0>

- Also for **Trooper** and their client **Columbia River Knife and Tool**, we delivered a series of product videos that play on the corporate website. [https://www.youtube.com/watch?v=Qf\\_Yz2XMIPY](https://www.youtube.com/watch?v=Qf_Yz2XMIPY)

- For **Western Family Foods** we produced a series of recipe videos that are used in social media as well as the WF web site.  
<https://www.youtube.com/watch?v=7bHm-p9cMBc>

- For **Portland Community College** we made final delivery on a video informing of the Capital improvements and community/student/faculty benefits made as a result of a Bond Measure that was passed in 2008.

Other samples of work can be viewed on the Marc Bowen Productions website listed below.

Thank you to all clients and vendors that helped to make 2016 another great year.

Marc Bowen Productions has been a Portland based film and video production company since 1981. We excel at media projects for: broadcast commercials, corporate websites, social media, corporate image, product and service marketing productions, employee orientation and training, informational/fundraising productions and documentaries to name a few.

We welcome the opportunity to discuss needs and specific projects. Let me know if we can be of service.
